

Ope! Your money-moving
magic is showing.
Thanks for all you do.

You are the very best gift of
all the gifts you bring in for
our mission.

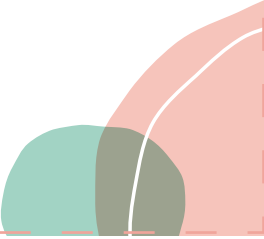

Thank you for showing up
to bring in the money!

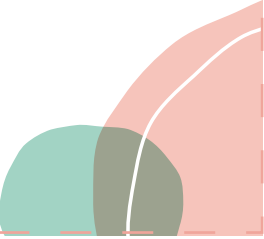

You help me dream big—
of more money for mission and
more just fundraising practices.

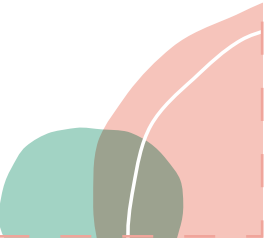

You're the best.
I asked everyone and we all
agree: we couldn't do this
work without you.

Your passion for moving
money to mission is
contagious... like a cold, but
in a good way!

Hey, changemaker.
I appreciate you.

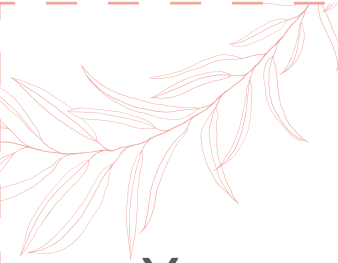

Highest of high
fives to you.
